

I'm not robot!

Geometric motivation. Figure 5.1 shows the graph of a function, $f(x)$. In the figure, h is positive and

$$\int_x^{x+h} f(t) dt = \int_c^{x+h} f(t) dt - \int_c^x f(t) dt = A(x+h) - A(x)$$

The example shown is continuous throughout the interval $[x, x+h]$. By the mean-value theorem for integrals, we have

$$A(x+h) - A(x) = hf(\xi)$$

where $x < \xi < x+h$

Hence we have

$$\frac{A(x+h) - A(x)}{h} = f(\xi)$$

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see how to get a TIN on page 3.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must check out item 3 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 3 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign this certification, but you must provide your correct TIN. See the instructions on page 4.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form 10-0 only if you are a U.S. person (including a resident alien). To provide your correct TIN to the person requesting it (the requester) and, where applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt person. If applicable, you are also certifying that as a U.S. person, your disability status, if any, partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Notes. If a requester gives you a form other than Form 10-0 to request your TIN, you must use the requester's form if it is substantially similar to this Form 10-0.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partner's share of income from such business. Further, in certain cases where a Form 10-0 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form 10-0 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
